## Conditions of the Sale

- Seller agrees that this kitten is healthy to the best of her knowledge, and is free from internal and external parasites. And comes from a home free of FeLV and FIV.
- Seller agrees that she is the owner and has good and lawful authority to sell the above described kitten/cat.
- Buyer has 72 hours to take the kitten to the vet for a health exam, if any health concerns are found, the buyer may return kitten to the seller within 72 hours with an explanation from the attending vet. No medical or travel charges will be refunded.
- Under no circumstances will this cat or kitten be sold, leased or given away to any pet store, research laboratory, breeding mill or similar facility.
- This cat or kitten will be kept indoors and not be allowed to roam freely outdoors.
- This cat or kitten is sold with showing and/or breeding rights. (Circle all that apply)
- This cat will be registered in \_\_\_TICA, \_\_\_CFA, \_\_\_ACFA, \_\_\_CFF, \_\_\_FIFE.
- If this cat is sold with showing rights, it may be shown as long as it's in good health and condition, and presented well groomed, and presents a temperament in agreement with the showhall. If

no breeding rights are given, the cat will be altered by 9 months of age, and registration papers will be held by seller until proof of altering has been supplied.

- If this cat or kitten is sold with breeding rights, Seller guarantees that said animal is fertile and will produce at least 2 viable kittens before the age of two years.
  - If after 3 breeding attempts with at least two different cats, no pregnancy occurs, then said animal will be replaced by the seller after proof of spay/neuter is given, as well as verification from the organizations that the cat is registered in, that no offspring were registered.
  - At Seller's option, a refund may be given that would be equal to the original purchase price, less pet price if the cat is to be kept by buyer, or is sold as a pet by buyer.
- Buyer agrees that said animal will not be sold, traded, given, leased or released to any other breeder without the written permission of Seller. If Buyer decides to alter said cat she may place him/her in a pet home, or keep in their own home as an altered pet.
- If the kitten/cat dies within the first year of life due to an inherited genetic disease, buyer must inform seller and provide a necropsy from a certified veterinarian. Seller will then replace said kitten with one of equal quality when one becomes available.
- This kitten/cat will not be declawed.
